

ANDERS TALENT

Finding the right candidate in a sea of resumes can be nearly impossible. Instead of waiting for your next employee of the month to knock on your door, our talent advisors bring them to you. We take the time to understand your company culture, the position being filled and the skills you need in that perfect candidate.

With over 20 years of recruiting experience, our staff can lead the recruiting work for you, organizing the interview process and making it an efficient use of your time.

THE ANDERS SOLUTION

From hand-picking candidates with the right qualifications, experience and culture fit, to moving them through the offer process, we make hiring seamless by managing:

- Job Description Review
- Thorough Candidate Search Process
- Extensive Vetting Process
- Coordination of Candidate Interviews
- Reference and Background Checking
- Offer and Acceptance Negotiation

HIRING THE POSITIONS YOU NEED

We focus on the strategic finance and accounting positions that drive your company's success, including:

- CFO
- Accounting Manager
- Controller
- Senior Accountant
- VP of Finance
- Financial Analyst

“Finding the right people is key to reaching the goals you’ve set for this year and beyond. Our talent advisors can help build your accounting dream team.”
