## DEFINING THE RIGHT SOLUTION

### WE CAN BE YOUR ACCOUNTING TEAM

Anders Outsourced Accounting gives your business the opportunity to leverage and obtain accurate financial data in real-time without personnel costs such as hiring, training and maintaining your staff. From your entire accounting operation to specifics such as accounts payable, payroll and financial statement preparation, outsourcing your accounting function allows for scalability and increased internal controls. Let us run your day-to-day with transparency and efficiency while you focus on what matters most.

### WE CAN BE YOUR OUTSOURCED CFO

Whether you're looking for short-term high-level financial advice to navigate a business challenge or a more permanent CFO to guide the business strategy and oversee day-to-day accounting operations, Anders listens to your needs to find you the best solution. If the costs, training and resources required for an in-house Controller or CFO seem daunting, a virtual, outsourced CFO could be a great fit.

### WE CAN HELP YOU FIND YOUR CFO OR ACCOUNTING TEAM

Anders Talent focuses on hiring the strategic finance and accounting positions that drive your company's success. With over 20 years of recruiting experience, Anders Talent can help find the controller or CFO-level candidate you need and handle the entire recruiting process, making it an efficient use of your time. From hand-picking candidates with the right qualifications, experience and culture fit, to moving them through the offer process, we make hiring seamless.
