

MEDIA KIT

ANDERS CPAs + ADVISORS

The Anders Media Kit has been established to ensure clear, factual, consistent communications with the public and protect the interests of the firm and our clients. By having a media kit, Anders can help avoid potential story inaccuracies and conflicting messages. It also allows the Marketing Department to adequately prepare those selected to communicate with the media on specific matters.

Media Inquiries

Anders has a firm full of knowledgeable thought leaders. We do not have official spokespeople. All media inquiries should be filtered through the Marketing Department. If you are interested in speaking with one of our thought leaders for a published or broadcast piece, please contact Lindsay Suelmann at lsuelmann@anderscpa.com.
